

## 414 SERIES Vertical Blind

Wallis&ZIP® solar protection is a multifunctional vertical blind. Fitted on each side of the Wallis&Outdoor® Pergola, it meets many needs, looks attractive and adds to the comfort of users.

### CHARACTERISTICS

- **Factory Spirit®** Design
- **2 casing sizes:** 135mm & 155mm
- Built-in **SOMFY** motorization
- **Same remote control** as Wallis&Outdoor® pergola
- Very strong **resistance**
- Fast and simple **fitting**
- Excellent **finish** : concealed fastenings
- **Large choice of fabrics**
- Available in all Profils Systèmes' exclusive colours : **Terra Cigala®**, **Profils Color®**, **Terre de Matières®**
- **2 years warranty** on Wallis&ZIP®
- **Anti UV treatment** : Colour shades guaranteed up to 10 years

### DESIGN & COMFORT

It **combines perfectly** with the Wallis&Outdoor® pergola (on a 135mm post).

- No fixings are visible on the sliding parts or the casing
- The **front bar** disappears entirely within the casing in the open position
- **Angular casing**
- There is an **inspection cover** for cleaning the blind fabric and for any work on the axis or motor
- The slider sightline has been **reduced by 34 mm**
- A profile to **hide the sliding section** is available

### DIMENSIONS

**2 casing sizes :**

- 135 x 130mm housing for fabric blinds up to 6m wide or 3m tall (allowing slot to be kept free for LED ribbon)
- 135 x 155mm housing for "Cristal" blinds and fabrics > 3m tall (max. height 6m)
- **Up to W 6000 x H 3000mm** with 135 & 155mm casing
- **Customized dimensions**
